

TEENAGE MUTANT NINJA TURTLES

AIR NINJA™ SHREDDER®

1. Push button on jetpack to extend spring loaded flight wings! (*note: some packs require tail fin to be manually pulled down).

4. Hold the Levitation platform with one hand. With the other, pull winch hook down to extend life saving line.

2. On the back, secure jetpack to the small circle structure in the mid of his waist. Shredder's jetpack can hold weapons in case of mid flight attack!

5. Attach winch hook to the wrist of the Shredder. Pull the line down. Press button on the side to activate zip line action!

3. Set up fly line to two safe spots using hooks on either end. Be sure to set it up at an angle and use the two small grips on the jetpack to attach to the line. Place figure at highest end of the line to watch him zip down in awesome Air Ninja action!

6. Shredder rides on top of levitation platform by inserting the pegs into the holes on the bottom of the figure's feet.

7. Press the small button located at top of the jetpack to launch the Shredder's shell-piercing projectile!
