

TEENAGE MUTANT NINJA TURTLES®

Kids,
follow these
simple blueprints,
it's easy!

Energy
Transfer
Pad

To Assemble Turtlepult:

- Slide ladder between the two tabs on side of Turtlepult as shown, push down ladder to attach to left wheel axle.

Backside
Slinger

Crafty
Crank
Wheel

Slingin'
Seat

To Operate Turtlepult:

- Place any Movie III Samurai Turtle on the backside slinger.
- Sit Whit in slingin seat. To operate crafty crank wheel, turn crank clockwise for realistic Turtlepult launching sounds.
- To activate Turtlepult, press down on the energy transfer pad and watch the figure fly through the air. Great for launching Turtles over castle walls!
